FYI - we are closing in on another partial sale (approx 30% at an 850m valuation) in the next 3 weeks. If it goes through, your issue below isn't going to go away. Let me know what you want me to do with that money if it comes in.

Will be significant.

The total payout of 300m. We have approx 75 in debt so will distribute 225.

Eudora currently owns approx 18% of Citizens so we would get our proportional amount of the 225. Not a bad day, if it happens. . .

Hunter,

We just got a check for \$21,590 from Eudora which represents our Q4 Distribution from them.

In addition, you owe some money to RSA for expenses - mostly our quarterly insurance payment. That totals \$1,563.55.

After deducting that amount, I will transfer the remainder of your 75%, which would be \$14,628.95 to Owasco, LLC. This is all based on the understanding that you still intend to transfer your share of the broker-dealer to me in exchange for my share of BHR. If that is not the case, there is a capital contribution due to RSPI of approximately \$15,000 and an additional share of your Eudora distribution (approximately \$11,250) would have to go to that.

If I don't hear from you (or George or Katie on your behalf) by Monday Joan will deposit the Eudora check, take out your share of RSA expenses and transfer the remaining \$14,628.95 to Owasco, LLC.

Thanks,

Eric
